

# March Newsletter

Well dear friends, we have all made it through the bitter weather into the month of March. The daffodils are coming up, the snowdrops have already arrived in time for Mother's Day on the 19th, and spring is in the air at last!

February has been packed with some really enjoyable activities including visits from our entertainers, Norma and Mel, pancake day, the Mindsong afternoons, (Which have been really packed as we've managed to get lots of you joining in), we've had Roger bringing us Gong Yoga, and we've also met a fluffy little Chihuahua called Ebony! Phew! 🙄 anybody need a sit down? As well as more of these things in March, look out for a visit from a journalist called Katie Jarvis on the 13th who is going to interview those of you who are local to uncover some of the history of Nailsworth, weekly trips out on a Tuesday, trips to the local social club every fortnight, and then on March 20 we will have a visit from Zoo Lab with their wonderful animals. Finally, I will be organising some Easter themed arts and crafts in the run-up to April 9th on a one-to-one basis so that everyone can join in. I will also be doing my usual duties & keeping your nails looking their best! Keep smiling through, 🎵 🎵 just like you always do 🎵... & warmest wishes

from Karen & all the team at The Steppes 😊
