

April 2024

Newsletter

Welcome Everyone to the April newsletter.

One thing I never struggle with when I come to write this newsletter is looking for lovely photographs of you all, in fact, the complete opposite, I'm only very sad that I don't have room for more!

In March and the run-up to Easter we placed our eggs into the incubator in the lodge in preparation for our new arrivals in the form of some fluffy chicks for Easter. We had a great visit from mindsong. These sessions are so well attended, and everybody has been in very good voice indeed, so thank you all for participating. At the start of the month, Sherrie did some cake making with you, which looked like great fun, including mini Easter eggs, we had our second holy communion, which was extremely popular, and we did a workshop where we all made Easter cards. We had some of our usual musicians to entertain us, and some very special visits, one from Sohootiful, and a reprise of some of our earlier visitors with Zoo Lab, bringing along their wild and wonderful creatures for us to see.

In April, we will have a visit from the Dinky ponies which we have all waited for in great anticipation, Garden Club will be starting up again every fortnight on a Thursday afternoon, and we still have our piano club at the end of the month at the Tetbury goods shed for all you, classical buffs. So lots to look forward to in the coming month, and don't forget folks as the clocks went forward on the 31st. we can all look forward to much lighter evenings from now on.

Finally, we are all extremely grateful and relieved that the Nora virus is over, just make sure that you keep washing your hands, be nice to one another, and if you would like to plant some spring flowers to hasten some colourful cheer for spring, please just ask a member of staff.

Look forward to spending some enjoyable time with every one of you in April.

Best wishes from Karen and all the staff at The Steppes. 😊
